

TITLE 326 AIR POLLUTION CONTROL BOARD

#07-293 (APCB)

SUMMARY/RESPONSE TO COMMENTS FROM THE NOTICE OF READOPTION COMMENT PERIOD

The Indiana Department of Environmental Management (IDEM) solicited requests from June 6, 2007, through July 6, 2007, for the readoption of rule sections in IDEM's Notice of Rule Review. IDEM received comments from the following parties:

ISG Burns Harbor LLC

Following is a summary of the comments received and IDEM's responses thereto.

Comment: We take this opportunity to comment on two specific rules subject to the Notice of Readoption #07-293. ISG Burns Harbor LLC is working with IDEM to amend the provisions of 326 IAC 6-6-5 and 326 IAC 7-4-14 which are the subject matter of two currently effective variances issued by IDEM. The incorporation of these variances should be addressed as these rules are readopted.

Response: This Notice of Readoption is required pursuant to Indiana Code 13-14-9.5-1.1 and will not affect ISG Burns Harbor LLC's current variances. IDEM is concurrently working on a rulemaking (#07-88) to incorporate the changes to 326 IAC 6-6-5 and 326 IAC 7-4-14 that are approved by two variances issued on November 17, 2006.
